<i>Name of trainee</i>	<i>Mr. Dibakar Paul</i>
<i>State</i>	<i>Tripura</i>
<i>District</i>	<i>West Tripura</i>
<i>Name of Course</i>	<i>Machine Operator Assistant – Plastics Processing</i>
<i>Name of Training Institute</i>	<i>Central Institute of Petrochemicals Engineering and Technology (CIPET)</i>
<i>Occupation after training</i>	<i>Wage Employment (Machine Operator)</i>

Dibakar Paul, a resident of Tripura had studied only till Class 8th. He came from a Poor family. Due to Financial Crisis, He was not unable to continue his Higher Study.

Dibakar Paul had found a way to improve his skills to achieve his dreams. He enrolled himself in free Skill Development Training Programme of Machine Operator Assistant –Plastics Processing (MOA-PP) job role at CIPET Tripura sponsored by National Backward Classes Finance and Development Corporation (NBCFDC) under PM-DAKSH yojana. During the training he gained technical knowledge of plastics materials, its production, Machine operations etc. He is now capable to operate plastics manufacturing machineries.

Dibakar completed the Training Programme and had learned to operate different types of Machine. After completion of training Dibakar has been placed at JSG Innotech Pvt. Ltd. as a Machine Operator with a Salary of Rs. 15,000/-. He is very much thankful to NBCFDC for give this opportunity.
