Shri Hemant Sharma belongs to a poor family. His Father is Security Guard by profession and earned Rs.90,000/- appr. per year. The family had to face a lot of challenges due to in-sufficient income. He always thought about increasing the income and reduce the hardship of the family. He worked hard for various companies but did not get any suitable position in job.

One day, he came to know about the PM-DAKSH (Pradhan Mantri-Dakshta Aur Kushalta Sampann Hitgrahi) Yojana of MoSJ&E/NBCFDC through awareness program of MSME TC BHIWADI. He applied for the training programme and got selected Advance Diploma in Machine Maintenance and Automation training programme. He had no knowledge of Automation and languages need in automation, no practical knowledge of industrial machines & equipment's etc. which he learnt during the training programme. After successful completion of training, he got placed in Coster india packaging(p) ltd alwar rajasthan. Currently, he is earning around Rs.35000 per month and leading a better life. He is very grateful to NBCFDC & MSME TC BHIWADI for providing the training and making him capable by enhancing his skills through which he could progress in his professional journey. This helped him to gain self-confidence and become a successful professional technician.
