I, Amit Arya, resident of Panchkula district, Haryana. One day, I attended an Awareness Camp organized by Haryana Backward Classes & Economically Weaker Sections Kalyan Nigam at Panchkula which implements the schemes of National Backward Classes Finance and Development Corporation (NBCFDC) in the State of Haryana for the welfare of Other Backward Classes (OBC) community. The financial condition was not good at that time and hence I applied a loan for a self-employment venture at district office of the HBCKN.

HBCKN has sanctioned an amount of Rs. 1.00 Lakh under the Term Loan scheme of NBCFDC and I started Digital Service Centre (DSC) in my village with the loan amount, where I provide various e-services to the people.

My DSC has been very successful and popular among the people of my village and nearby areas. Now, my annual income is around Rs. 2,30,000/- which not only help me in supporting my family but also repaying the loan in time.

I am very grateful to HBCKN and NBCFDC for giving me this opportunity to start my own DSC. I am proud to be a part of the digital transformation of Haryana with help of loan scheme of NBCFDC.
