Sukanta had always dreamed of owning his own autorickshaw and becoming self-employed, but he did not have enough savings to buy one.

One day, he attended the awareness camp organized by Tripura OBC Cooperative Development Corporation (TOBCDC) at Kakraban, R D Block Gomati, Tripura, and came to know about the NBCFDC's Term Loan scheme offered by the TOBCDC for the economic upliftment of the OBC people in the state. He applied for the loan and was sanctioned an amount of Rs. 3,30,000/- in the year 2019 at a low-interest rate and easy repayment terms. He used the loan amount to buy a new Bajaj autorickshaw and started his own business.

Sukanta is very happy with his decision and says that the loan scheme has changed his life for the better. Now, he earns Rs. 18,000/- to Rs. 20,000/- per month which is way more times than what he used to earn as a driver and is able to provide a comfortable life for his family. He is grateful to the NBCFDC and TOBCDC for giving him this opportunity and hopes that more people from his community will benefit from this scheme in the future.
