am **ANUMOL**, I have taken Education loan in 2016 after completion of my Plus Two Course. For higher education I chose Audiology and Speech Language Pathology Course from NITTE Institute of Speech Language Pathology Centre in Mangalore.

From an advertisement on newspaper, I came to know about the loan scheme of NBCFDC which is implemented through the Kerala State Backward Classes Development Corporation (KSBCDC), one of its channelizing agencies. I applied for education loan because of financial difficulties of my family and availed an amount of Rs.2,50,000/-. After completion of the course I got a job within six months. I am currently working as a Speech Therapist in a Private Clinic at Kanhangad. My family income increased and now I am able to save money for future.

I am sincerely thankful to NBCFDC and KSBCDC.
