1. Introduction

This user manual covers the processes and options to be followed by the user institutions for the data input as required for the disbursement of following scholarship/fellowship schemes administered by NBCFDC.

2. Scholar corner Registration

Registration process in Scholar's corner by the Scholar

- a) The Scholar may visit the link
- b) <https://scholarship.canarabank.in> and click on "Scholar's Corner"
- c) Click Registration Button, enter your details correctly.
 - I. Scheme: e.g.: NFOBC/NETJRF,SJSGC/NFSC/ST/ etc.
 - II. Scholar ID: The Scholar ID is mentioned in Award Letter or master data updated at SFMP Portal, provided by Scheme admin.
 - III. There is an option to Find Scholar ID also. Those who don't know exact Scholar ID, may use the FIND SCHOLAR ID option to find the correct Scholar ID
 - IV. DOB: To be entered in the format DD/MM/YYYY
 - V. Email: The registered mail ID provided while applying for respective fellowship/scholarship.
- d) After entering the data, click Register Button and save the data.
The message will come as "REGISTRATION SUCCESSFUL".
- e) The password will be sent to the registered mail id. Check the registered Email ID for password.

3. Link a Scholar ID at SFMP

There are two options available for linking

3.1 Linking of Scholar id can be initiated by Scholar through Scholar corner:

Scholar can link Scholar id using option "Online Joining Report"

3.2 Linking Scholar can be initiated by Nodal Officer at SFMP:

Nodal officer (maker) can initiate linking, nodal officer can further submit request to PFMS

A.Link Scholar Initiation

Menu:

MasterDataEnhancement>>MasterData>>Link Candidates

This option is used for linking the scholar in the portal. User has to select the scheme then enter Scholar ID and click fetch button.

- For those candidates who are approaching first time for Fellowship/scholarship, user institution has to enrich the master data already available, like updating accountno: IFSCcode etc.
- Presently linking will be allowed only within 24 months from date of result/ cut off date of selected batch for fellowship schemes for linking the Scholarship ID at SFMP portal or as per Scheme guidelines
- For those who were receiving the payment through Canara Bank earlier, University/Institution need not enter the account number/IFSC code while linking, as their account details/IFSC code are already available. For the scholars who were submitting the certificates to Canara Bank Branches,the Scholar ID needs to be linked to NBCFDC Portal as per new Procedure.Presently linking for the existing candidates will be allowed as per respective scheme guidelines.
- If any University/Institution wants to link scholar ID to portal beyond the above parameter,then the University/Institution may request for exception in the NBCFDC Portal through a specific as explained in point 7.Once NBCFDC approves the same, University/institution will be able to link the Scholar ID within the time period mentioned in the exception.
- Upon linking a scholar, system will generate a payment schedule which is a projection of payments for the particular Scholar ID. System will display payment schedule of a scholar on screen while linking the Scholar.User should verify the payment schedule and click on save.The linking can be entered by MakerID.
- Select the Scheme and enter Scholar id or use option find Student id

 - FromDate:The date from which University will be allowed to do the linking as per exception.
 - Remarks:Reason of Delay in submitting the documents should be entered
 - On Submission the exception is to be approved by Scheme Admin.
 - Once Scheme Admin approves the exception, university will be able to link the scholar Id within the time period mentioned in the Exception request

The Exception parameters are mentioned as under

i) Max Period allowed for linking after date of result/cutoff date

Maximum number of months from date of result/cut off date within which the linking is allowed. Presently the parameter is set to 24 months from date of result/cut off date for fellowship schemes and 12 months for scholarship schemes for linking the Scholarship ID to NBCFDC portal. If any University wants to link scholar ID to portal beyond the parameter, then the Universities may request for exception in the NBCFDC Portal. Once NBCFDC approves the same, University/institution will be able to link the Scholar ID with in the time period mentioned in the exception.

ii) The period for minimum latest certificate allowed for linking for existing branch based candidate

For the scholars who were submitting the certificates to Canara Bank Branches, the Scholar ID needs to be linked to NBCFDC Portal as per new Procedure. This parameter is the maximum number of months from the latest date of certificate uploaded by the branch within which the linking is allowed. Presently the parameter is set to 12 months from date of last certificate uploaded, for linking the Scholarship ID to NBCFDC portal. If any University wants to link scholar ID to portal beyond the parameter, then the Universities may request for exception in the NBCFDC Portal. Once NBCFDC approves the same, University/institution will be able to link the Scholar ID within the time period mentioned in the exception.

iii) Date up to which initiation of Payment Confirmation allowed in a month

At present Universities are supposed to mark the Monthly payment Confirmation processing the Portal from 1st to 8th/15th of every month w.r.t scheme. If University wants to initiate the payments after respective closing date of any month because of any operational exigencies, then the request can be given to NBCFDC for extending the timeline using exception functionalities. Once NBCFDC approves the same, University/institution will be able to initiate monthly payment confirmation upto the date mentioned in the exception.

iv) Date up to which approval of Payment Confirmation allowed in a month

The Universities are supposed to do the Monthly payment Confirmation process from 1 to 8th or 15th of every month w.r.t scheme. If University wants to approve the payments after respective date of any month because of any operational exigencies, then the request can be given to NBCFDC for extending the timeline. Once NBCFDC approves the same, University/institution will be able to approve monthly payment confirmation up to the date mentioned in the exception.

v) Number of months allowed prior to current month for arrear marking

At present, we are allowing the University for marking payment arrears for max 12 months prior to the current date. The Universities may request for exception in the NBCFDC Portal if any arrear prior to 1 year is to be processed. Once NBCFDC approves the same, University/institution will be able to process the arrears from the time period mentioned in the exception.

vi) Number of hours allowed to Candidate for verification of Master Data

The Universities are linking the Scholar ID in NBCFDC Portal and submitting the same for approval from NBCFDC. Before submission, the scholars have been provided with the facility in Scholar's Corner, to cross-verify the details that the University has entered. After verifying the details the Scholar may reject the linking if any details entered are wrong. University may link the ID again with the correct details. If the details are correct scholar can approve the linking. This option will be available to the Scholar for a defined time period. At present, this time is set as 24 hours. After 24 hours, if the scholar has not rejected/approved the data, then University/Institution may submit the ID for approval to Scheme Admin. This time period is parameterized, through the exception option.

vii) Number of months allowed prior to current month for marking stop payment for a scheme.

At present stop payment can be marked w.e.f 3 months prior to current month, if the payment is not yet credited. This can be parameterized through this option.

viii) Date upto which stop payment is allowed in a month

At present stop payment can be marked only from 1st to 8th or 15th of a month. In case the option for stop payment is to be restricted to a specific period of a month, it can be parameterized through this option.

The procedure of marking exception is explained for some of the parameters as under.

7.2 Delete Exception

If request exception has wrongly entered, then Nodal officer can send request to DELETE EXCEPTION Using option Master Data Enhancement >> Master Data >> Delete Exception

8. WithHeld Option

i) Withheld Marking

As of now, NFST scheme only,

Master Data Enhancement > [Transaction Data Entry](#) > Withheld

- This option can be used to withheld all scholarship/fellowship payment for a particular Scholar.
- This option does not need any approval.

8.2 Withheld Removal:
