

Success Story

Skill Development in Apparel Sector

Sonali Begam daughter of Asraf Ali, Age 20 years, is a resident of village-, Rabindra Nagar, P.o-Senpara, P.s-Kotwali, Dist-Jalpaiguri, Pin-735101. She comes from a poor family. Her father is farmer and mother is a house wife.

She completed 10th standard and had nothing to do after that. She had no idea of sewing and sewing machine. One day, she noticed the admission advertisement published by ATDC-Jalpaiguri in the newspaper “The Karmasangsthan Patrika”. She filled-up the form and appeared for the selection test for the course of Sewing Machine Operator (SMO) and took admission for the session-2018-19 at ATDC-Jalpaiguri, 2nd Floor PETC Building, Shivaji Road, Hakimpara, Jalpaiguri, West Bengal. During training she learnt about stitching and making garments. She was also given training on soft skills. After completion of the training, ATDC-Jalpaiguri assisted her in getting a job in a Company - M/s S.A Tailors (Dresses & Uniform Manufacturer), Berubari, Jalpaiguri, Pin-735101, West Bengal. Now, she earns adequately and supports her family.

She’s very thankful to the **National Backward Classes Finance & Development Corporation** for supporting her with course fees and stipendiary support. She is also thankful to ATDC for providing value added skill training in Apparel Sector with soft skills.

Success Story

Skill Development in Beauty and Wellness Sector

Ms. Jinnatara Khatun is a resident P.O-Ausgram, Dist- Purba Bardhaman, West Bengal and she has got training in 'Pedicurist and Manicurist' under Skill Development training program (2017-18) sponsored by National Backward Classes Finance and Development Corporation and facilitated by Beauty and Wellness Sector Skill Council through its affiliated Training Partner "Swatirtha Charitable Trust" in West Bengal.

Ms. Jinnatara wanted to peruse her career in Beauty domain but due to financial issues she was unable to get herself trained. In her early age she got married and had to skip her desire to do "Beauty" course. One day her husband told her about the free Pedicurist & Manicurist course conducted by NBCFDC and facilitated by B&WSSC. She got herself enrolled into it. To get better hands at it, she regularly practiced it at her home. After completion of course she has opened a parlour. She enjoys her work and earns adequately.

Success Story

Skill Development in Apparel Sector

Minu Begam daughter of Enamul Haque, Age 28 years, is a resident of village-, East Tesimla, P.o-Hai Hai pather, P.s-Malbazar, Dist-Jalpaiguri, Pin-735230. She comes from a poor family. Her father is farmer and mother is a house wife.

She has completed 12th standard and was not doing anything after that. She noticed the admission advertisement published by ATDC-Malbazar in the circulated newspaper “The Karmasangsthan Patrika”. She filled-up the form and appeared for the selection test for the course of Sewing Machine Operator (SMO) and got selected. Along with training on stitching garments she acquired soft skills as well. After completion of the training, instead of wage employment she bought a machine and started working. She is self-employed and earns adequately.

Success Story

Skill Development in Textile Sector

Ms. Mongjam Sarika Devi is a resident of Nambol ward No 5 Bishnupur Manipur 795134. Before getting training, she was a simple weaver and used to work for the local small entrepreneur who provided yarn to her and she made the fabric according to the demand local small entrepreneur. With this work she used to get wages of about ₹60 a day.

She was motivated and very keen to become an entrepreneur but she didn't have enough knowledge and confidence to be an entrepreneur and that remained her weakness. Ms. Mongjam Sarika Devi felt very fortunate to attend the Up-Skilling Training class in textile sector under National Backward Classes Finance and Development Corporation's Skill Development Training Program in 2017-18 at Chanu Creations at Manipur facilitated by Textile Sector Skill Council. During the training, she got knowledge about Entrepreneurship, Marketing, Soft Skills, Quality of Handloom Products etc. Now, after completion of training she has established herself as an entrepreneur and has also got registered with MSME. She is able to get orders from market as well as through training center from where she got the training. This has made her more confident about her work. She is now able to support her family in a much better way.

Success Story

Skill Development in Apparel Sector

The real face of Empowerment

This is the story of success achieved by Ms. Naseema who got training in Sewing Machine Operator (SMO) Trade under sponsorship of National Backward Classes Finance and Development Corporation during the year 2016-17- at ATDC Palakkad.

Ms. Naseema like other candidates too joined ATDC Palakkad with an urge for livelihood, but she was different from others in a way struggling hard with her two daughters to survive as she was separated with her husband. The torture and harassment by her husband at home that later resulted to their separation, brought a positive change in her and she decided to face and fight against all the challenges.

She was a regular, punctual and determined student and had good observations. As soon as she completed the course she was placed with Mellow Beauty Care and Ladies Tailoring shop at Kalladikode, Mannarkad, Palakkad where she worked for almost 7 months.

She realized her potential and skills and looked for an affordable building near her home to hire and started a new venture during August 2017. She now earns independently and is a known tailor in her area. She undertakes orders for stitching garments of all ladies and kids including Uniforms. Moreover, this successful tailor has opened a door to another woman who she has employed with her venture.
